Sir 6/10

Sanction of the reduction of the conservancy contribution payable by the Municipality from 10/- to 1½/-

I have the honour to state that the conservancy contribution payable by the Municipality to the Municipality stands at 10/- per mensem in the Municipality since 5 years or so which is very small and insufficient for maintenance and standards are prescribed that this pay should be enhanced to 1½/- per mensem. The Municipal Council considered this request and resolved that the pay should be reduced to 1½/- from July 1947. Necessary provision has been made in the budget of the Municipality for the current year to meet the extra cost of 4½/- involved by this proposal. It is stated that scarcity allowance at 1½/- per mensem is also paid to this room.

I request that sanction of Government may kindly be obtained to the resolution of the Municipal Council to increase the pay of the conservancy staff from 10/- to 1½/- from 1st July 47.

Copy of the resolution of the Municipal Council in the matter is enclosed.

I have the honour to be,
Sir,
Your most obedient servant,
Deputy Commissioner,
Kolar District 7/10/47
